Dear Sir or Madam:

This is in response to your letter dated 12/22/2006 that was received by this office on 1/14/2007 in which you requested access to certain records under the New York State Freedom of Information Law (FOIL).

As a preliminary matter, it appears that some of the records you have requested may be in the possession of this department and, if so, may be disclosable under FOIL. However, before you can be granted access to specific records or portions thereof that are responsive to your request, a search for such records must be conducted. If records responsive to your request are located, such records must be reviewed to assess the applicability of any particular exemptions from disclosure set forth in FOIL.

Due to the large volume of pending FOIL requests, which are processed in the order in which they are received, and due to the fact that NYPD records are kept in many offices located in five counties, it is anticipated that your request will require more than twenty days. It is anticipated that a determination will be reached on 5/14/2007.

This is not a denial of the records you requested. Should your request be denied in whole or in part after review by this unit, you will then be advised in writing of the reason for denial, if any, and the name of the Records Access Appeals Officer.

Please be further advised that Investigator Amonra has been assigned to handle this request, and any further inquiries or correspondence should be addressed to his/her attention.

Sincerely,  
  
James Russo  
Sergeant
